

Have a Sweet

1 - The Bass Beat
(Luiz Caldas)

I'm only going home at dawn.
But by then I want to go crazy
I want to see flashing lights
And the sun rising on my chest

The bass beat in the head
Makes the moon appear on track
And joy makes the night short
It finishes soon

2 - You and Me
(Luiz Caldas)

You and me
The sun, the moon
The sky, the sea
The night and the day

I'm alone
And I do not care
I came from far
And I'll stay

3 - Sexy body
(Luiz Caldas)

A sexy body rubbing at mine
Drinks and pleasure side by side
Eyes closed, head in the clouds
And a lot of desire to dance
Desire to dance

4 - Catch Fire
(Luiz Caldas)

Feel the energy that comes in the air
And all happiness to enter life
Sweetening the mouth and soul

Open arms and embrace the world
And never mind what comes with the time let it all catch fire

5 - Have a Sweet
(Luiz Caldas)

6 - Cold Cave
(Luiz Caldas)

The dark and cold cave,
It houses spirits and demons, and time made Her macabre. It does not hit the sun and sadness Lives with
loneliness where time is implacable and fury kills!

7 - Hey Man
(Luiz Caldas)

8 - I Follow Your Heart
(Luiz Caldas)

I just want your love
To follow your heart through the world
He will give me the best
I'm sure about that
